

# Lincolville Networks offers Seasonal Service

Do you have less than a 12-month need for telephone/DSL service?

With seasonal service, your monthly telephone line, access rate &/or DSL charges are reduced 50 percent.

**Benefits:** Reduced rates, Retention of your current telephone number & Retention of your Directory Listing.

Telephone service automatically reinstated at the end of your seasonal term (maximum 6 months).

No need to call each spring and place a new install order, fill out an application or pay the installation fee.

\*\*\*\*\* To request this service you must return a new seasonal form each year. \*\*\*\*\*

**ENTER TELEPHONE #(s) for reduced billing** - \_\_\_\_\_

**Circle one:** Telephone only Telephone & DSL DSL only

If your telephone is on seasonal your DSL must be on seasonal or be disconnected. DSL, if disconnected, may be subject to a broken contract fee. A new application will be necessary, along with the install fee.

Customers that are on bundled service and choose seasonal service for phone & DSL will automatically be changed to the comparable seasonal bundle. At least six months of full-rate billing is needed from the end of prior seasonal billing period. New service must be connected for thirty days prior to going on seasonal.

**During the period of seasonal billing your phone is disconnected. ALARM SYSTEMS WILL NOT WORK on an inactive line and do not qualify for seasonal service.** You may leave the telephone connected for an alarm system or voice mail and still put DSL on seasonal.

911 IS ACCESSIBLE

(If E911 call is made remain on the line as the dispatcher is unable to call you back.)
